1	Drawings	-	Detailed drawings are not attached with tender document	Attached
2	Processing of interim and final bills		Details not mentioned	The Contractor's payment shall be made against the actual quantities of work executed at site, duly measured, verified and certified by the Architect/PMC and GEL Engineer-in-Charge, in the following manner: A. First Payment: 40% of the accepted contract value shall be payable against satisfactory completion of approximately 40% of the work, based on actual measurements and certification. B. Second Payment: 40% of the accepted contract value shall be payable against satisfactory completion of approximately 80% of the work, based on actual measurements and certification. C. Final Payment: The balance 20% of the contract value, or the amount payable as per actual measured quantities, shall be released upon completion of the entire work, final measurement, submission and certification of the final bill, rectification of defects, and handing over of the completed premises to GEL. D. Retention: An amount equivalent to 10% of each running bill shall be retained by GEL and shall be released after a period of six (6) months from completion/handover of the work, subject to satisfactory performance and fulfilment of all contractual obligations. E. The Contractor shall submit duly signed measurement sheets, test certificates, invoices, photographs, completion documents and other supporting documents along with each bill for verification and certification. F. All statutory deductions, including GST-TDS, Income Tax, Labour Cess and any other applicable deductions, shall be recovered from the Contractor's bills in accordance with prevailing laws, rules, regulations and the terms and conditions of the contract.
